

There should be an arrow going to AddOrEditAlarms but Visio doesn't do that. This is a 1 to many relationshihp.

(AddOrEditAlarms = AOE, Alarm501 = AL)  
 Subassemblies:  
 AOE  
 AOE AL

There are 2 subassemblies and 2 classes.  
 The coupling ration is:  
 $C = 2/2 = 1$

There are 6 subassemblies and 4 classes.  
The coupling ration is:  
C = 6/4 = 1.5.
